

PROMOTION AND PROTECTION OF HUMAN RIGHTS OF ROMA, EGYPTIANS AND OTHER VULNERABLE GROUPS

The project *Promotion and protection of human rights of Roma, Egyptians and other vulnerable groups* will achieve a set of results that will ensure overall improvement of the situation of RE population as main target groups and strengthen state and local governments technical and management capacities to continue strengthening the position of RE population in the Montenegrin society.

The results to be achieved are covering 4 areas of social inclusion: employment, education, health and social inclusion.

The document „Call of Proposals” defines procedures of the announcement. Before the application submission, please read full information of the Guidelines for Applicants. The project should not exceed 10 pages (supporting documents are not included).
